HUMANITARIAN AWARDS GHANA 2020

HUMANITARIAN AWARDS GHANA PROPOSAL

Humanitarian Awards Ghana is to recognize and Award extraordinary individuals and groups who are positively impacting the lives of people, nature and society in Ghana.

The Awards is to identify, honor and celebrate a cross-section of the nation's most influential and accomplished businesses doing humanitarian works and leaders from a wide range of industries who are committed to improving lives and preserving the environment through their work and businesses. We believe that in putting the spotlight on these humanitarian efforts, it will not only celebrate them but help build a strong platform for them by giving voice and opportunities to the next generation of industry pacesetters while building a positive attitude.

Theme: Celebrating Change Makers.

OUR AWARDING BOARD

Our awarding board is seeking outstanding entrepreneurs, executives, managers and professionals in the public and private and non-profit sectors and will recognize attributes such as achievements in corporate social responsibility, community service and development as well as environmental protection

OUR CATEGORIES.

Cover a wide range of all the various sectors you can think of in the humanitarian, philanthropist and corporate social responsibilities, ranging from all sectors

PURPOSE.

- ❖ To recognize and celebrate humanitarians who demonstrate or impact individuals or society through their exceptional leadership.
- ❖ To honor the outstanding individuals involved in the various fields of charity and humanitarian work
- ❖ To celebrate the exceptional contributions of organizations to social development.
- ❖ To provide formal recognition and showcase those who are providing valuable contribution to humanitarian work in Ghana.
- ❖ To promote the development of best practices and high standards.
- ❖ The awards lie in the opportunity for charitable organizations to tell their stories and spread awareness for their courses.
- ❖ To create a common interactive medium where prevailing issues are identified and challenged.
